

RESIST - Horizon Mission ansøgning

3 overordnede indsatsområder/mål

- Promote and demonstrate an **innovative and more participative approach** to resilience and CCA adaptation in 4 demonstrator and 8 twinning regions
- Co-design and contribute to the development of **new regional measures, policy instruments and social and technological solutions** in 12 regions involving 22m citizens
- Reduce time-to-market/risk for >100 **new CCA Solutions** from providers across Europe

Each LSD in RESIST will be paired with 2 less-experienced (as regards CCA issues) twinning regions with similar vulnerabilities and challenges, of which 1 will be a less-developed region.
